Health 2 Online Fall 2018
Teacher: Mr. Waite
Room: 27
Office Hours: Period 1, Lunch Time

Hello and Welcome,

You are enrolled in Health 2 online. To access the material for Health 2 Online you must go to www.schoology.com and enter the course code of GXQCP-JM5MD --this should allow you access to the assignments and materials you need to complete Health 2. There is an opening unit called 7 Dimensions, and 9 Units and a final project. **ALL ASSIGNMENTS MUST BE COMPLETED TO A SATISFACTORY LEVEL, IN ORDER TO RECEIVE CREDIT FOR THIS COURSE.**

Suggested Pacing:

Signing up for Class on Schoology	**Sept 7—Please do this by Friday Sept 7th or you may be dropped from 1st Trimester.**
7 Dimensions of Wellness	Sept 14
Unit 1	Sept 21
Unit 2	Sept 28
Unit 3	Oct 5
Unit 4	Oct 10
Unit 5	Oct 19
Unit 6	Oct 26
Unit 7	Nov 2
Unit 8	Nov 9
Unit 9	Nov 16
Final Project	Nov 29

Your grade will be entered into Synergy on the due dates, so if the grade shows an F—that means you are not on pace with the pacing guide, but assignments can be done at any time up until Nov 29th. **Athletic Eligibility may be affected by F's showing up in Synergy and not being on pace with the course.**

To Submit an assignment, when you open the assignment in Schoology—you will either open in Word or Excel and then hit the Enable Editing tab at the top and write on the document, then save the document and then in Schoology there is a submit button—Press the submit button and attach the file. You may also print out the assignment, hand write, scan and save and then submit. **I would prefer that all assignments are submitted through schoology, this way there is a record of the assignment.**

If you have any problems with submitting or signing into Schoology, please come and see me in Room 27.

Sincerely,

Randy Waite Health 2 Online Teacher
