Louise visited Miami while Dixie visited five cities.

Pretest/ Posttest

This organization invested nine million dollars in its main subsidiary within the last six months. This brilliant financial move illustrates the classic method of avoiding a high capital gains tax by reinvesting the principal wisely.

30 Second Oks

Afford fulfill falsify fanciful official faithful plaintiff
My dozen pickle jars quickly exploded with relish.
Fay Kolb acquired prejudices with amazing expertise.
Jovial Phyllis frequently goes to Mexico and Brazil.
Francis feels iffy about fifteen unofficial office raffles.

Practice

Iris invited eight trainees to display their office skills.
Rex enjoys playing with the farm ducks by the quiet lazy river. Freda Hawk was giving six major bronze plaques for casting. Hal Rex knows bicycling means prize views and joyful quiet.

1 Minute Timing

I happily remember our winter activities. After daily lessons, we would dash back home and clean our rooms. Very soon our group would meet at the plaza for making snowballs and sledding. Each Sunday we met at the pond to ice skate. All in all, many things really have not changed in my town.
